Transactional Records Access Clearinghouse

The Transactional Records Access Clearinghouse (TRAC) is a data gathering, data research and data distribution organization associated with Syracuse University.

The purpose of TRAC is to provide the American people -- and institutions of oversight such as Congress, news organizations, public interest groups, businesses, scholars and lawyers -- with comprehensive information about federal staffing, spending, and the enforcement activities of the federal government.

TRAC was established in 1989 as a research center at Syracuse University. It has offices there, and in Washington, D.C. It has been supported by Syracuse University, foundations such as the Rockefeller Family Fund, the New York Times Company Foundation, the John S. and James L. Knight Foundation, the Beldon Fund, the Open Society Institute, and other research grants and contracts.

TRAC derives additional financial assistance from report fees, data subscriptions and corporate and individual donations. We thank you for your support.
